Price Guide

Our quarterly guide brings you freshly updated prices for 1200-plus classics

in partnership with
HAGERTY
CLASSIC CAR INSURANCE

WHAT'S IT WORTH?

Whether you're buying or selling, our guide illustrates how the market is treating that model. We consult specialists, clubs and dealers, scour auction results and pool knowledge with classic car insurance specialist Hagerty to ensure our guide is as accurate as possible. But an individual car's value can only be assessed in person. Cars with exceptional mileage, history, unrestored originality or fresh restorations can be worth disproportionately more. On 'bluechip' models our price spreads reflect the importance of provenance and history over condition.

USING THE GUIDE

Concours/Dealer
If you can afford it, do it. This is what to pay for a top-notch example, also a good guide to concours value

Mint
Shiny and bright, but not concours condition. Any defects should be small. You'll get a fine example for this money

Usable
Tidy and ready to use, but needing cosmetic attention. You'll have to spend more money if you want it looking really smart

Rough
In reality a project car in need of much care and expense, even though it may still run and drive

Price change
At-a-glance indicator showing the market trend of the latest updates
